

## **Abstract :**

**After God Almighty granted us the completion of the research and ending of its study, I collect in this summary the fragments of what is separated and distributed among the chapters, as I stopped after the introduction to By explaining the concept of the creation of man and animals with its linguistic and terminological definition, and then starting with the first chapter, which deals with the creation of man, explaining his stages, descriptions of his creation, and his purpose, and then . explaining the scientific miracle in the creation of man**

**In the course of the research, the second chapter was presented, entitled The Meaning of the Words for the Creation of Man. It included an explanation of the significance of the Quranic words that indicated the creation of man and an . explanation of the attributes of man in the Qur'an**

**The third chapter was entitled The Creation of Animals, which included two topics: the first was animals in the verses of the Holy Qur'an and the other was insects in the verses of the Holy . Qur'an, and then knowing the purpose of creating animals**

**The fourth and final chapter was entitled The Meaning of Animal Words, which included two sections as well. The first section**

**was entitled The Meaning of Mammal Words in the Qur'an, while the second section was entitled The Meaning of Other Animal Words. Until I reached the end of the research and its conclusion, which included the most important results, then the . research references and sources**

**Praise be to God, Lord of the worlds, and prayers and peace be upon the most honorable of the prophets and messengers, our Master Muhammad, and upon his family, companions, and .followers, the good and pure**
